

Young Researchers' Overseas Day

7 December 2018

On Friday, 7 December 2018, the third Young Researchers' Overseas Day is organized by the Royal Academy for Overseas Sciences. This event is aimed at researchers aged younger than 40 who are working overseas. It provides an opportunity to meet, discuss, and exchange ideas and to learn more about the Royal Academy for Overseas Sciences (www.kaowarsom.be) and its activities.

All proposals submitted by participants will be grouped per theme.

English is preferable but submissions in French or Dutch are also welcome.

The Scientific Committee will evaluate the abstracts and decide whether you can participate with a lecture or a poster.

Participation is **free** but registration is **required**.
